

PARTNERS IN HEALING CORPORATE THERAPY DOG VISITS

Thank you for contacting Canine Therapy Corps about a potential therapy dog appearance! We love what we do, which is creating therapeutic, structured, goal-directed programs that help people overcome physical and psychological challenges. Our programs cater to a number of underserved populations such as veterans, at-risk youth, individuals struggling with addiction, and children with autism. Our volunteer teams, made up of a certified therapy dog and its volunteer handler, provide these services at *no cost* to our program partners!

But our talented therapy dogs have more love to give. Request a visit through our Partners in Healing initiative, so our therapy dogs help energize, motivate, or de-stress your employees, clients, patrons, tenants, etc. For Partners in Healing events, tax deductible donations are requested. Canine Therapy Corps does not receive government funding or insurance reimbursement for our services. Instead, we rely solely on the generosity of individuals, foundations, and corporations to sustain our valuable work.

Levels along with corresponding perks include:

For any additional information, email us at info@caninetherapycorps.org, or call our office at 773.404.6467.

*Due to our existing program and therapeutic outreach schedule, we are limited to providing one *Partners in Healing* event per month. The number of dogs per event is subject to availability (because these teams are volunteers), though CTC commits to doing our best to recruit the number of dog teams indicated above. Date of event must be booked a minimum of eight weeks in advance to allow sufficient time to recruit dog teams. Please contact the office for exceptions. Donations are required in advance to secure a visit date.
